Homemade Desserts

All desserts are made from scratch in house so there are limited quantities.

Our menu is designed to offer a little something for everyone, and still be able to get food out of our small kitchen in a timely manner. If you would like to make a reasonable alteration to a menu item we will try our best to accommodate but during peak business that might not always be possible. If you have to ask what reasonable is, it's probably not. Thank you for your cooperation and understanding.
